BRIDGE FELLOWSHIP HAD A RECORD NUMBER OF APPLICANTS

The BRIDGE fellowship attracted a record number of applicants this year (four applicants). The successful applicants will be announced at a later date. I am though extremely pleased that the fellowship is again attracting many applicants, after the difficult times during the COVID pandemic, even though it means that some applicants will be disappointed.

GENERAL ASSEMBLY OF THE JSPS ALUMNI CLUB DENMARK

For all regular members, please mark the 25. March as date for the upcoming general assembly of the club. It will be again on zoom at 12.00-13.00 and an official invitation will be sent soon. We hope that you will be able to participate or at least delegate your vote to someone. Please don't hesitate to contact me directly (or another member of the board) if you are interested in joining the board or have any suggestions of activities for the

upcoming year or items for the agenda.

Hope to see many of you at the upcoming events
